

RM Solution

A Sister Concern of CP HR Services Pvt. Ltd.

If your business depends on you for everything,

YOU DON'T

**OWN A BUSINESS —
YOU OWN A JOB**

Clarity → Structure → Execution → Scale

Over **80%**
of MSMEs remain
stuck at a small scale.

(Source: NITI Aayog / Economic Times)

The MSME Reality

MSMEs power India

30%
of GDP

50%
of Manufacturing

& Employ
110M+
People

73%
OF MSMEs

that adopted digital tools like UPI & smartphones grew faster

Just
0.3%
OF MSMEs

deliver

40%
of MSME Exports

**Businesses don't fail
for lack of effort.
They fail for
lack of structure.**

Business Growth Report
Your clarity document

You can't scale chaos. You can only scale structure.

Caselets: Real Outcomes

India

Manufacturing (Automobile Parts, Pune)

LEVEL
Founder

People

Problem: Founder chasing operations, no SOPs, no accountability

Solution: Built SOPs, defined KPIs, set reviews

Outcome: 70% less founder involvement, 40% faster order execution.

UAE

Trading to Manufacturing (Dubai)

LEVEL
People

Process

Problem: Strong team, but no documented processes. Frequent delivery delays.

Solution: Designed production & quality processes, trained managers.

Outcome: On-time delivery improved 55%—>92% in 6 months.

Mozambique

Agro Processing Unit

LEVEL
Process

System

Problem: Processes existed but manual, slow, no monitoring.

Solution: Introduced dashboards, digitized reporting, real-time accountability

Outcome: Attrition dropped 50%, worker output up 30%.

Different countries. Different industries. Same truth: structure is the foundation of scale.

Your Next Step
